

SHPE1000

Ideal for medium and heavy duty applications

This series of SaltDogg® spreaders are completely self-contained, ultra-durable spreader units designed for ice and snow control. The rugged design allows for use with salt or salt/sand mix. Mounts easily on utility vehicles, pickups, dump, platform and utility trucks, making it ideal for municipalities, shopping centres, industrial estates, hospitals and private contractors. This is the perfect size for a UK pick up.
